Medicines Information Services are provided via Worthing Hospital for all localities: **01903 285075 (Option 2).**

Ward/Unit Visits:

We aim to visit all acute inpatient units at least once a week, either to attend ward rounds or to provide clinical/prescription card checks. However, actual frequency of visits varies across localities. If you wish to discuss the pharmaceutical care of any of your patients or simply require general information on Medicines Management, please contact us on the numbers above.

Pharmacy – Medicines Supply Services:

Western Sussex Hospitals NHS Trust pharmacy department is contracted to provide a pharmaceutical supply service to units and teams in Brighton and Hove, East Sussex and West Sussex.

The supply service is provided from:

- Worthing Hospital for Worthing sites, Brighton and Hove, East Sussex and Northern West Sussex sites
- St Richard's Hospital for Chichester sites only.

Dispensary opening hours – **Worthing Hospital:**

Monday to Friday:	8.30am to 5.00pm
Saturday:	10.00am to 12.00pm for advice and supply of urgent items only
Sunday:	10.00am to 12.00pm for advice and supply of urgent items only
Bank Holidays:	10.00am to 12.00pm (or as advised for specific dates).

The on-call pharmacy service, for out of hours emergencies on Brighton and Hove, East Sussex and West Sussex sites (excluding Chichester sites), is available via the main **Worthing Switchboard – 01903 205111**.

Dispensary opening hours – **St Richard's Hospital (Chichester):**

Monday to Friday:	8.30am to 5.00pm
Saturday:	10.00am to 12.00pm
Sunday:	10.00am to 12.00pm
Bank Holidays:	10.00am to 12.00pm

The on-call pharmacy service, for out of hours emergencies on Chichester sites, is available via the main **St Richard's switchboard – 01243 788122**.

Please note that although Worthing and St Richard's dispensaries do not close until 5.00pm, they have earlier order cut off times so that transport deadlines can be met. Not all orders will be delivered on the same working day and delivery of orders to off site units may take longer.

Pharmacy – Clinical and Advisory services: See overleaf.
